ANOTHER WINNER FROM STANSBURY

Not only did Stansbury take the title of SA's Tidiest Town, but it is also home to the very tidy and smart 1963 Humber Super Snipe owned by Don and Sue McPhee.

Don and Sue are also members of the Humber Car Club and have a wide knowledge of these fine cars.

THE PRESIDENT'S REPORT.

Actually the President has been so busy that he does not have a report! However, his activities include getting yet another Ford, enjoying the Capri and not least of all, the company of his family over Christmas.

THE SECRETARY'S REPORT

Well, as some of you may imagine, the Secretary is happy, due to having the Alvis saloon back at home just before Christmas!

However, before I go into that, may I pass on the thanks of the Ardrossan Progress Association to all those who supported the 2008 Street Party. At the last count there were 28 classic vehicles of which 16 were brought along by MAPS members. Floats and displays were also way above previous years, with over twenty taking their part in a parade that was on a day not best suited to slow moving traffic.

Whilst there have been some comments as to the date and times of our parade, it has been most encouraging to hear people say it was the best parade they could remember. Thank you to those who have already given me some feed back. Just one query; how would you feel about bringing your car along on the late afternoon of Christmas Eve?

Turning back to the Christmas present that arrived just before Christmas Day, I am now in full swing as regards refitting various items! In addition to the respray work, a lot of other work was needed to bring the car back to top condition, including a new floor section and chassis welding. CYP's Dave Brooks has made an excellent job. The car is finished in a pale metallic blue which set

off the new wire wheels. Fitting them was no easy job, due to the difficulty in removing the rear hubs, so as to fit new splined ones.

Over the last year, one bedroom has been full of the chrome works and trim from the car, so one bonus is that we now have the room back somewhere to normal! The plan is to have the car ready for All British Day in February, but there is a long way to go to meet that deadline. Perhaps by the next issue I can report more on the project!

Between that work we have managed to do a couple of runs, one of which was a very pleasant lunch at Lyn and Trevor Clerke's home in Port Vincent. This was for the annual YP meet up of Austin 7 SA members for log book processing and subs payment. The Clerke's are hoping to join MAPS, now that they are into preparation for retirement.

Our forthcoming events include the Australia Day event sponsored by Playford City Council— free entry and breakfast provided! However, I am sad to miss the event that is being put on by the NARC Kapunda Chapter, as we have always enjoyed their events.

It's back to our general meetings in February when we have the opportunity to get some marshal's training at 7 pm, just before the official meeting business. We hope to see a good number turn up for that.

In with our last newsletter, there was a letter and booking form for events on the two days that the Federation "Peninsulae Parade" visits our area. In April. This is your opportunity to meet our visitors, to see their cars and join in some of the fun. The deadline for the bookings for MAPS members to take part is getting

closer—January 27th. To date, I have had no replies from MAPS members. So are you holding on until the last minute or is this going to be poorly supported?

Then follows a wide range of events both in the list of MAPS activities and those offered by other clubs. We do our best so as to avoid clashes, but sometimes there are not enough Sundays! One new item in the program is the Mallala Historic Meeting over the Easter weekend. More details on this on page 5.

MAPS fame is spreading and as a result, we have been asked to help with one of the Cruising Classics events. All we have to do is assist with a party of classic cars that will leave Adelaide and travel to the Field Day at Paskeville on Wednesday, 30th September. Kulpara members have been warned!

UNDER YOUR EASTER BONNET?

THE SPORTING CAR CLUB OF SA, 75TH ANNIVERSARY.

EASTER 2009 NATIONAL HISTORIC RACE MEETING, 11-12 APRIL

This looks to be a great event over the Easter Weekend, with the town of Mallala getting right behind this festival of historic motor sport. There will be designated areas for classic and historic cars, plus comprehensive catering, over night camping and a Saturday street party. Everyone knows the SCCSA puts on a good show, so how about some MAPS people making the trip? Currently there is an entry fee for non members, but I may be able to get some passes if sufficient numbers make up a group for . More details from the Secretary.

Our Vice President, Rod Nixon of CYP Crash Repairs, got a new toy for Christmas too! The Hino tilt tray was soon in action delivering the secretary's Alvis to Ardrossan! The truck, modified by Ahrns Handling Equipment of Adelaide, boasts air conditioning, power steering and is fitted with a fully auto remote tilt/slide, plus a second car cradle.
